Congratulations to our 2022 Dino Design Contest Winners!

2022 was our second annual Dino Design Contest! This year, we asked the community to create designs celebrating the Easton Area Public Library and our mascot Thesaurus Rex. The Library received amazing entries from artists of all ages, and it was so hard to select our finalists. We selected the designs that best represented the Easton Area Public Library, our mascot Thesaurus Rex, and the theme "Thesaurus Rex goes on an adventure."

A huge thank you to everyone who submitted a design! We wish we could have chosen them all. But without further ado, here are our 2022 winners!

S'mores Adventures - Henry P., age 6
Adventures in Flight - Ilah L., age 12
Adventures on the Road - Alivia L., teen and young adult
Detect an Adventure - Katharine W., adult
High Seas Adventure - Jamie P., staff
Skateboard Adventures - Georgia W., staff
Adventures in Reading - Julia B., staff
Minimal Adventures - Sara P., staff
