## **Easton Area Public Library and District Center**

---

November 16, 2022

Dear Library Patrons and Supporters,

As we approach the end of 2022, we continue to wish you and your family much health and happiness. We hope that you will consider supporting the Easton Area Public Library in our efforts to bring you the valuable services that you and your family have enjoyed this past year. 2022 has been exciting for our Library, including these accomplishments:

- *We are now a Fine-Free Library, ensuring full access to everyone in our community.*
- *The Library provided an average of 12-15 FREE programs weekly for children and families from story times to special events.*
- *The Library increased its programming for adults by offering health programs, quilting club, writers' club, and cultural programs.*
- *Outreach in our community such as Easton Farmers' Market, Back to School nights, and Forks Community Days has allowed us to sign up more patrons for library cards and spread information about our programs.*
- *Our Palmer Branch has been recarpeted and rearranged to open space for more family activities, thanks to a partnership with Palmer Township and a generous bequest to the Palmer Branch.*

We are looking forward to new programs for 2023, such as the return of the *Family Place* programming at the Main Library, increases in adult and children's programming at both the Main Library and at the Palmer Branch, and the opportunity for you to help guide the Library as we focus on strategic planning.

Please consider supporting Easton Area Public Library at this special time of year. Your donations provide a source of revenue that supplements our state and school district appropriations. Your generosity will be truly appreciated and will help us to offer the Library services you expect and enjoy.

Wishing you a joyous holiday season and a new year filled with peace,
