Requirement for Background Checks

Upon the offer of employment, applicants for employment with the Easton Area Public Library will be required to submit the following information:

- (i) A report of criminal history record information from the Pennsylvania State Police or a statement from the Pennsylvania State Police that the State Police central repository contains no such information relating to that person. The criminal history record information shall be limited to that which is disseminated pursuant to 18 Pa.C.S. § 9121(b)(2).
- (ii) A certification from the Department of Human Services as to whether the applicant is named in the statewide database as the alleged perpetrator in a pending child abuse investigation or as the perpetrator of a founded report or an indicated report.
- (iii) A Federal (FBI) criminal history record information check. The applicant shall submit a full set of fingerprints in a manner prescribed by the Pennsylvania Department of Human Services or Department of Education. The Pennsylvania Department of Human Services and the Department of Education serves as an intermediary to obtain the FBI criminal history record information check. The library employing the person will keep a copy of each of the clearances for the employees' personnel files. For applicants who are 17 years of age or younger, the State Police may not maintain criminal information. However, Pennsylvania law requires that criminal history records checks be conducted on all prospective employees, including those 17 years of age or younger. Therefore, a criminal records check shall be requested on individuals 17 years of age or younger, and a report of "no information available" will be considered compliance. Clearances obtained in order to serve as a volunteer may not be used for employment purposes.
